## History of the Academy

Founded in 2002 by Er. Yogendra Sachan and Mrs. Rakhi Sachan, Creative Convent College was built on the vision that **"Knowledge is Power."** The academy began with 200 students and 15 teachers. However, driven by the founders' passion for education, the school rapidly grew, expanding to a high school and earning recognition by the U.P. Board. In 2016, the school achieved CBSE affiliation, marking a new chapter in its educational journey. Since then, Creative Convent College has continued to evolve, embracing innovation and excellence in all aspects of education.

# Our Vision

Two decades ago, our Founders envisioned an institution that would serve as a foundation for learning and development, catering to both urban and rural communities. Today, Creative Convent College is highly regarded for its commitment to fostering a community that respects cultural diversity, is dynamic and evolving, and encourages innovation.

Our methodology centers on inquiry-based learning, utilizing student-led pedagogies to promote positive communication and healthy collaboration. We are a school where staff, students, and parents all have a voice. Our Vision is to nurture the best in every student by providing a holistic education in an inspiring environment. Our goal is for students to leave the school with the confidence to articulate their beliefs and possess the skills necessary for success in their chosen paths. Creative Convent College will always be a place where students of diverse abilities and cultures can embark on a learning journey tailored to their individual strengths and aspirations.

## Message from the Chairman

It is my privilege to welcome you to Creative Convent College, an institution that thrives on the principle that "Knowledge is Power." Our mission is not only to impart knowledge but to cultivate a deep understanding that empowers students to shape their futures and contribute meaningfully to society. Like a sculptor chiseling a block of marble, we believe in shaping young minds through consistent guidance and encouragement.

We are deeply committed to the idea that all children have the potential to succeed. At Creative, we recognize and celebrate the individuality of each student, fostering an environment where academic excellence and personal growth go hand in hand. While we prioritize literacy and academic success, we also emphasize the importance of arts, drama, music, and physical education in building self-esteem and nurturing a well-rounded personality.

Our school is not just an educational institution; it is a caring community where students are encouraged to grow, learn, and thrive. We continuously strive for excellence, embracing the best educational practices worldwide and ensuring that our students are equipped with the knowledge and skills to become responsible, successful leaders of tomorrow.

At Creative Convent College, we provide a safe, nurturing space where students can explore their potential and

**3** build a strong foundation for their future, all while being part of a community that values and supports them.

# Primary School (Grades 1-4) – Building the Foundation of Curiosity

The Primary School years are a pivotal time in a child's educational journey, as they step into the world of formal academics. At Creative Convent College, we provide a nurturing and balanced curriculum, guided by experienced and qualified educators, to help our students understand their roles and responsibilities in society. These foundational years are designed to foster curiosity, creative thinking, and independent learning.

Our curriculum emphasizes the development of critical skills such as **Critical Thinking**, **Information Technology**, and **Self-Management**, while also nurturing essential life skills. Along with academics, we offer a variety of co-curricular activities like **Physical Education**, **Art & Craft**, **Music** and **Dance**, carefully integrated into the daily schedule to ensure a holistic growth experience for each student.

# Middle School (Grades 5-8) – The Age of Discovery

During the Middle School years, students are ready to explore the world around them and deepen their understanding of various subjects. At Creative Convent College, we've designed a comprehensive curriculum that blends academic excellence with enriching co-curricular activities, promoting intellectual curiosity, creativity, and critical problem-solving abilities.

Our approach encourages students to develop **scientific reasoning**, **critical thinking**, and **problem-solving** skills, while simultaneously fostering creativity and independent exploration. We also place a strong focus on **effective communication**, **cultural awareness**, and hands-on learning, ensuring that our students are well-prepared for both their academic futures and the world beyond school.

# Senior School (Grades 9-12) – Bridging to the World Beyond

The Senior School years are a critical juncture in a student's academic life, as they prepare for their future education and career paths. At Creative Convent College, we provide a comprehensive and methodical academic program designed to help each student achieve their personal best. These years lay the foundation for success in higher studies and future professional endeavors.

In the Senior School, we offer a wealth of opportunities for students to explore their passions, refine their skills, and prepare for the next stage of their academic and professional journey. We are committed to nurturing well-rounded young adults who are not only academically proficient but also capable of navigating the complexities of the world with confidence and resilience.

# Homework Policy

We believe that homework is an essential extension of classroom learning. It reinforces the material taught during lessons, provides students with the opportunity to practice their skills, and prepares them for upcoming lessons. Homework is assigned regularly by subject teachers, and we encourage parents to actively support the homework policy, ensuring that students develop strong study habits and time management skills.

# Assessment and Progress Monitoring

To ensure that students are progressing in their academic journey, we conduct regular assessments and examinations throughout the year. These assessments provide valuable insights into a student's progress, and parents are invited to review test papers and attend consultation meetings to discuss their child's performance. Additionally, we provide timely progress reports, keeping parents informed about their child's academic achievements and areas for improvement. This open communication between the school and parents ensures that students receive the support they need to succeed.

# Attendance and Punctuality

It is very important that students should attend school regularly and arrive on time, for time missed from school may have serious educational consequences. If, for any reason, students are unable to attend school, prior information should be given to the class teacher along with a note in the diary when the student returns. If we do not receive any reason for the absence by 9:30 am, a text message will be sent out chasing the reason for the absence

# Beyond the Classroom

## Libraries - The Gateway to Knowledge

Our two spacious, fully furnished libraries are designed to foster a love of reading and learning. With a wide selection of academic, reference, and inspirational books, students have access to resources that enhance their academic and personal growth.

## Smart Classes - Enhancing Learning

Our smart classrooms integrate technology with teaching, allowing students to access online resources, explore topics in-depth, and engage in interactive, practical learning.

## Computer & Robotics Labs - Embracing Technology

With 1 computer for every 2 students and high-speed internet, our computer labs provide an ideal environment for digital learning. The Robotics Lab inspires students to explore technology and innovation.

## Well-Equipped Science Labs

Our science labs—Maths, Biology, Chemistry, and Physics—encourage hands-on learning, helping students grasp scientific concepts through practical experiments and interactive activities.

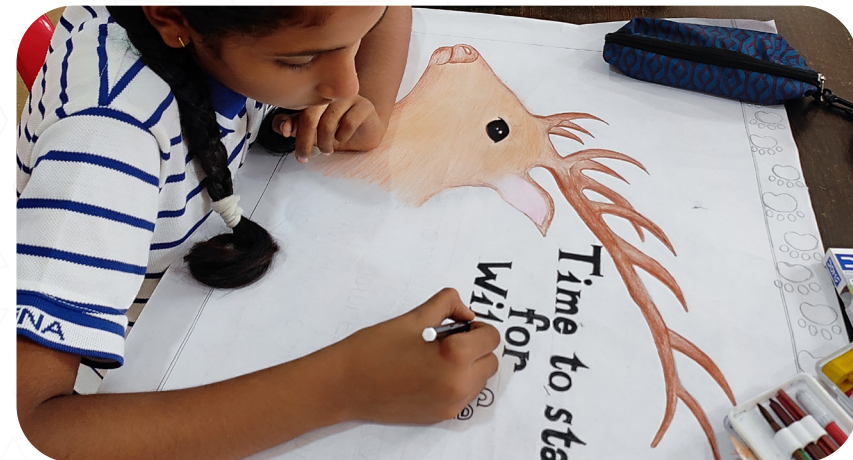

## Activity Hall - A Hub for Creativity

The Activity Hall serves as a venue for competitions, celebrations, and guest speakers. It's a space where students come together to showcase their talents and engage in social and cultural activities.

## Art & Craft Room - Creative Expression

The Art & Craft room encourages students to explore their artistic skills, offering a creative space to experiment with painting, sculpture, and various crafts under expert guidance.

## Music Room - Nurturing Young Musicians

Our music room provides students with the opportunity to develop their musical talents through vocal training and playing instruments like the keyboard, drums, and guitar. Students also perform at school events and inter-school competitions.

## Playground - Where Talents Flourish

Our well-maintained playground offers students a space for physical activities, sports, and team-building. It is where creativity and leadership skills are nurtured, providing an outlet for energy and growth.

# Holistic Development

At Creative Convent College, we believe in nurturing well-rounded individuals, not just academically but also through their talents and life skills. Our approach focuses on developing every aspect of a student's personality, providing them with ample opportunities to explore and enhance their abilities.

## Annual Cultural Function

The Annual Cultural Program allows students to showcase their talents in music, dance, and drama. This event helps students build teamwork skills and gain confidence as they perform before an audience of parents and guests, presenting vibrant, theme-based performances.

## Annual Sports Day

Sports Day promotes athletic talents while fostering a spirit of healthy competition and teamwork.

Qualified trainers track each child's progress, ensuring they learn and grow through their athletic experiences.

---

## Daily Quizzes

To train students' minds for quick recall, daily quizzes are held during assembly. These quizzes cover current topics, helping students retain and process information more effectively.

---

## Competitions

Monthly class and inter-house competitions provide students with platforms to showcase their talents and build confidence. These competitions are stepping stones to greater achievements.

## Leadership Building

Through leadership activities, students are encouraged to develop decision-making skills and a sense of responsibility. They also take on roles in the student council, helping foster a spirit of collaboration and mutual respect.

---

## Celebration of Special Days

Special days are celebrated throughout the year, promoting joyful learning, community building, and critical thinking. These events add an extra dimension to the school experience.

---

## Conversation Classes

Conversation classes are designed to help students develop public speaking skills, preparing them for activities like debates, drama, extempore, and storytelling, enabling them to express themselves confidently.

---

## Value Education Classes

Our Value Education classes focus on teaching moral values, encouraging students to reflect on their actions and understand the impact of their behavior in various situations.

At Creative Convent College, every student is given the chance to grow holistically—academically, socially, and emotionally—preparing them for a bright future.

# Special Educational Needs at Creative Convent College

At Creative Convent College, we are committed to providing a supportive and inclusive environment for all students. We offer various services to cater to the needs of students requiring additional assistance.

## Day Boarding

For working parents or those with specific needs, our day boarding facility provides a safe and caring environment where students can stay after school hours, ensuring they are well looked after and engaged.

## Special Classes

We offer special classes for board students to help them deepen their understanding of subjects. These extra support sessions are tailored to meet the needs of students who require additional help or wish to strengthen their skills.

## Inspection and Quality Assurance

Our school maintains high educational standards through regular inspections. The inspection department ensures that teachers adhere to lesson plans, homework assignments, and effective teaching methods, ensuring consistent quality across all subjects.

## Project Work

Project work is integrated into various subjects to encourage students to explore and solve real-world problems. This hands-on approach helps develop critical thinking, creativity, and a deeper understanding of the topics studied.

At Creative Convent College, we focus on providing personalized support to ensure that every student has the opportunity to succeed and thrive.

# Our Uniform

All Students are required to wear the school uniform as listed below. We expect parents to support the school by ensuring that their Child arrives in school wearing the correct school uniform. When it is not adhered to, we reserve the right to send the students home to change into their expected dress code.

# Our Teachers Our Strength

All teachers at Creative Convent School are core professionals and children friendly. We believe that children think and learn differently and that intelligence is expressed in a multitude of ways, hence our curriculum has a multifaceted approach to incorporate all intellectual domains. Teachers create an invigorating ambience that kindles the curiosity of every child.

- Currently we are a set of 50 teachers along with 3 Co-ordinators and 6 Sub Coordinators.
- The school has appointed 15 helping hands to maintain the pace of day to day working of the school.

# School Transport

The school provides a transport facility. A number of school Vans & buses are available which run through almost all localities. Guardians can avail this facility, if this facility is availed by the guardian it will be for the entire session. Parents need to understand that buses have a particular spot & cannot provide door to door drop facility. The school provides transport service, which is facilitated by 20 drivers & 5 bus conductors.

# Our Parents, Our Assets

At Creative Convent College, we believe that parents are an essential part of the learning journey, and we value their partnership in shaping the future of our students. Together, we work hand-in-hand to turn every child into an asset for society.

## **Your Cooperation**

We encourage parents to check and sign their child's diary daily, ensuring that homework is completed regularly. Any remarks made in the diary should be acknowledged and countersigned. If you notice any lack of progress, we invite you to meet with the class teacher or principal by appointment. We also appreciate parents' participation in school functions and their encouragement of their children.

## **Dedicated Helpdesk**

For any concerns or feedback, parents can contact the head teacher directly via phone or by arranging a visit to the school. Our messaging system ensures parents stay informed about school activities and updates.

## **Regular Parent Consultations**

Students' progress is assessed through monthly tests and term examinations. Parents are regularly updated on their child's academic performance, and these assessments are considered during annual promotion decisions.

At Creative Convent College, we recognize that strong parent-school collaboration is key to every child's success.

# Our Gems Our Pride

**“Legends do not Speak for themselves, their acts do.”**

We firmly believe that winners don't do different things, they do things differently. Our innovative teaching methodology, which makes us stand apart, has been yielding tremendous results through years assisting our students to soar high.

# Pillars of Discipline

To inculcate the sense of responsibility and healthy competition among themselves, the students are divided into four houses namely Vindhya House, Naina House, Jwala House, and Saraswati house. A student council is appointed to develop leadership skills in the students which consists of Head-Boy, Head-Girl, House captains and Vice House captains and Class monitors.

# Rewards and Sanctions

The school takes pride in the high standard of behaviour of its students. There is a system of rewards for good work and sustained effort and there is a clear set of expectations about codes of conducts. We aim to celebrate and recognise our successes and focus upon rewarding our students' achievements. Academic excellence is rewarded by giving following awards:

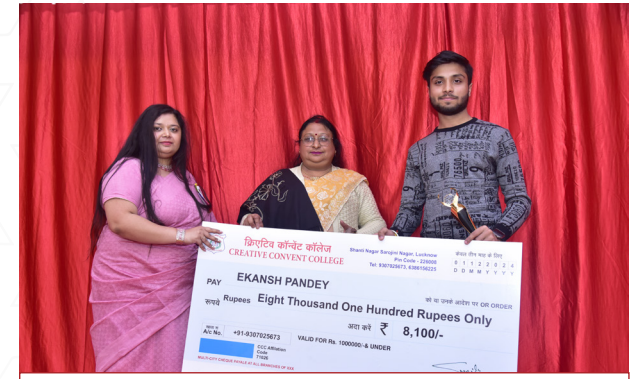

1. Rakhi Sachan Legacy Award
2. Shivram Sachan Excellence Award
3. Dr. Ram Prakash Sachan Scholar Award
4. DN Samhal IPS Memorial Award
